

Nandan Petrochem Limited

Nandan Petrochem Limited

Company Overview

Nandan Petrochem Limited (NPL) was founded in the year 1992 with the objective of manufacturing and marketing Automotive & Industrial Lubricating Oils, Greases and Specialty Products. NPL started its operations with contract blending & filling for Public Sector undertakings (PSUs). NPL assisted top notch Multi-National Companies (MNCs) to roll out their international brands by providing them NPL's state of the art Lube Oil Blending Plants as per Global Standards. By virtue of Technical Collaboration Agreement with AVISTA OIL GmbH Germany, NPL has access to the latest technology in Oils and Greases. Over the years, NPL has developed an expertise for manufacturing tailor made Genuine Lubricating Oils and Greases for major OEMs in India. Recently NPL has ventured into manufacturing of Transformer oils, White oils, Rubber process oils, Industrial oils & other specialties extending its portfolio to cater complete lubrication solutions.

Vision

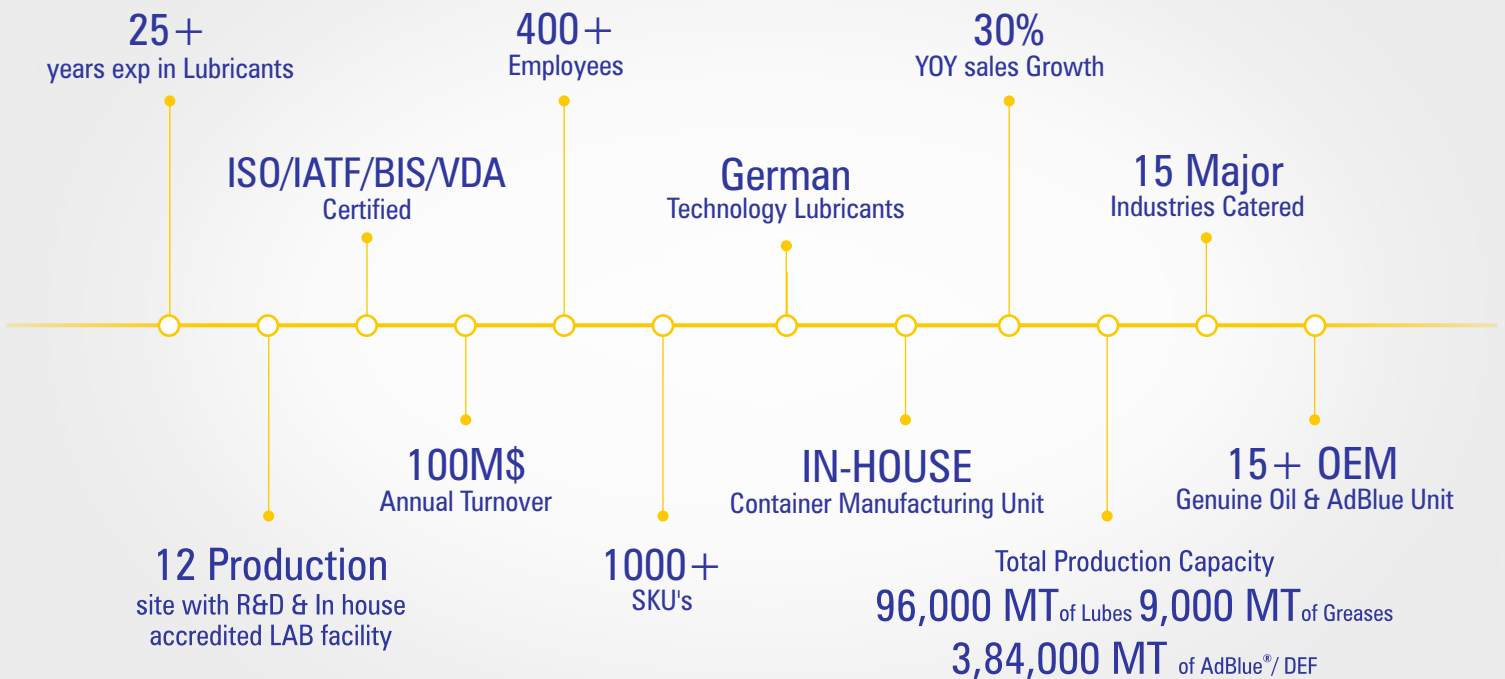

We at Nandan Group as a responsible Corporate, aim to be a Preferred Partner delivering stakeholder value in all our endeavours

Mission

We believe in providing solutions to make "Effort Effortless" and superior experience for "Contemporary Mobility"

BUSINESS OVERVIEW

VELVEX PRODUCT PORTFOLIO

AUTOMOTIVE OILS & GREASES

Heavy Duty Engine Oils, Passenger Car Motor Oils, Motorcycle & Scooter Oils, Tractor Engine Oils & UTTO, Gear Oils, Transmission Oils, Greases.

AdBlue®
High purity AUS32 / DEF for the BS IV / BS VI SCR System

WHITE MINERAL OILS / LIQUID PARAFFINS

Industries: Pharma, Food, Cosmetics, Plastic, Agriculture, General industrial applications etc.

RUBBER PROCESS OILS

Paraffinic, Aromatic Naphthenic Speciality Industries: Rubber, Tyre & General industrial applications

INDUSTRIAL OILS & GREASES

Hydraulic Oils, Bearing & Gear Oils, Textile Oils, Compressor Oils, Regrefiration Oils, Turbine Oils Rust Preventive Oils, Metal Working Oils, Off Highway Oils, Pump set Oils, Gen Set Oils Transmission Oils, Greases

TRANSFORMER OILS

Uninhibited, Inhibited, Trace Inhibited, High grade (Paraffinic, Naphthenic) Industries: Energy, Power, Utility distribution etc.,

OEM Customers

Over the years, NPL has developed an expertise for manufacturing tailor made Genuine Oil for major OEMs. Depending on the application, suitable oils are formulated to meet the OEM specific requirements. Some of the key OEMs who have partnered with NPL are:

OEM Approvals

Quality of lubricant is a key parameter for operation of the Engine/ Machine. NPL has proved its ability to produce Highest Quality Lubricants by obtaining Approval from several OEMs.

Eicher

Hindustan Motor

Greaves

TVS Motor

Swaraj

Manufacturing Plants

NPL has three manufacturing plants for Lube Oil Blending, Transformer Oil, Liquid Paraffin/White Oil refining, Rubber Processing Oil and Grease manufacturing with a Total capacity of 1,05,000 MT pa. Eight Manufacturing plants for AdBlue® with total capacity of 3,84,000 MT pa.

Our plants are ISO 9001 & 140001 certified with international standard state of art infrastructure with in-house LAB | R&D facilities.
