

VELVEX LICAL GREASE
(LICAL 2 AND LICAL 3)

Description:

VELVEX LICAL GREASES are premium quality lithium based multipurpose automotive & industrial application purpose greases manufactured from superior quality base stocks with specially selected additives and are having high drop points, good thermal stability, resistance to oxidation and structural stability. These greases provide protection against rust; corrosion and excellent water wash out properties.

Application:

VELVEX LICAL GREASES are recommended for applications to all types of plain, roller and anti-friction. at a temperature up to 130°C

Performance Level:

Proprietary grade

Typical Properties:

Sr.No.	Characteristics	LICAL 2	LICAL 3
1	Base Oil Viscosity @100°C,cSt ,Min.	10 to 15	10 to 15
2	Type of Soap	Lithium –Calcium	Lithium –Calcium
3	Colour	Brown	Brown
4	Worked Penetration ,60 strokes @25°C	265-290	220-250
5	Drop Point, °C, Min	180	180
6	Copper Corrosion Test @100°C for 24Hrs	Negative	Negative
