Industrial Oils & Greases

Velvex Long Life Grease

NLGI NO. 3

Proprietary Grade

Product Data Sheet

Product Description : VELVEX LONG LIFE GREASE is an enhanced version of regular lithium soap based grease, manufactured from specially selected base oils with good quality raw materials and additives for excellent shear stability to enhance the re-lubrication interval of bearings above 30,000 km under ideal road conditions. The grease has strong resistance against water wash out, wearing under extreme stress, strong surface adhesive quality, protection against rust and corrosion with wide temperature range of operations.

Application: VELVEX LONG LIFE GREASE is suitable for all types of automotive applications as excellent multipurpose greases, like plain and anti-friction bearings of passenger cars, trucks, tractors, earth moving equipment etc. It is also recommended for heavy duty ball and roller bearings of steel rolling mills. Paper mills, textile mills, sugar mills etc. operating under high loads and temperatures

Performance Level: Proprietary product.

Typical Properties

CHARACTERISTICS	NLGI NO. 3
Type of Soap	Lithium
Colour	Brown
Worked Penetration (60 Strokes) at 25°C	220 - 250
Drop Point °C, Min.	180
Four ball weld load, Kg's, Min.	250
Packaging: 180 Kg, 20 Kg, 5 Kg, 2 Kg, 1 Kg and 500 gm
