

For total industrial lubricant solutions

Velvex Multi Purpose Grease

NLGI NO. 2 & 3

IS - 12203-1999 (RA 2004)

Product Data Sheet

Product Description : VELVEX MP GREASE No. 2 & 3 are premium quality lithium based multipurpose automotive greases manufactured from superior quality base stocks with specially selected additives and are having high drop points, good thermal stability, resistance to oxidation and structural stability. These greases provide protection against rust, corrosion and water wash out.

Application: MULTIPURPOSE GREASE No. 2 & 3 is suitable for all types of automotive applications.

Performance Level: Meets IS - 12203-1999 (RA 2004) requirements.

Typical Properties

CHARACTERISTICS	MULTIPURPOSE EP GREASES	
	NLGI NO. 2	NLGI NO. 3
Type of Soap	Lithium	Lithium
Colour	Brown	Yellowish Brown
Worked Penetration, 60 strokes at 25°C	265 - 295	220- 250
Drop Point °C, Min.	180	180
Packaging: 180 Kg, 20 Kg, 5 Kg, 3 Kg, 2 Kg, 1 Kg, 500 gm
